support from indie radio and press since their inception, fans fueled their career from the ground up to an international status. Having headlined major music festivals and venues across the US, Canada and UK, this band has a devoted cult following. The band is led by songwriter Joziah Longo (vocals/guitar/harmonica) "Soothing and bewitching as a snake oil tonic, the entire root system of Rock Family Trees is embedded in Longo's voice." - The Big Issue, Scotland, UK, and joined by Sharkey McEwen (guitar, mandolin), Tink Lloyd (accordion, cello, etc), and Eric Puente (drums, percussion). They create a captivating vibe that feeds the soul. "9 out of 10 - Love at first spin!" – Americana UK; "Super and Natural... I love this band!" - WXPN Philadelphia; "Songs imbued with mystical stirrings and idealism... they took the stage by storm!" – The New York Times; [www.slambovia.com](http://www.slambovia.com);
